Lonin on dislectics of Cliff Slaughter, 1963...

p.4"Now lenin's Ntbks are largely a comment on Hegel's idealist logic.
We therefore need to represent the way in which is took even the
Hegelian/dialectics. In fact Mx stood Hegel on his heal, or rather or
feet. Mark developed a mat.dial, whose LAMS WERE A REFLECTION or the motion of the contradictions of material realitys enot, as H thought, this Divine Reason.

"The next point is the dismissal of certain wrong ideas about

p.5: claims it is is a "myth" that there was a rev. in WIL in 1915

"proof" is I's writings against Nerodniks &esp.against 'legal, Marris Strawe, who used Mxism to prove inevitability of cap.

14 t. 6E C0.27. which Slaughter summarizes than Thus Lenin was able to the young Mx in the oriticsm of the idealist disbecause of the word done by the older M&E in the interim.

p.6:"In the per since the foundation of the 3rd Int. the essential point concentration in Exist the "conscious reflection of the proposes of the class struggle, has been the construction of PARTIES of Bol type.

Brand 4 Con Ingralia "There is no mamination of VIL's card was only a speculation that these passages imply a cond of L's past phil.assumptions.."

of L's past phil.assumptions."

of L's spirited sallies at H's failure to leave idealism begind but the quotes from his notebooks on phil.rather than on Dialectics, the thereby plenty in that too. on p.21 Slaughter writes stupidly quoting from his rote of SD on parties: Gall this reads very strangely besides D's suggestion that only in 1914 did L consciousness understand the role of consciousness athe role of the masses in his." (T of course never with the role of the masses in his." consciousness & the role of the masses@n his." (I of course never said to what I said he did't understand the importance of idealism & subj-ity as mere materialism as basis for that consciousness..etc.>

II. The Idealist Dialectic

p.29"Already in his E&P MSS (1844) the youthful Mi brilliantly exposed this fundamental weakness of the idealist dislection. p.33:"Lenin could base himself not only upon the phil.rejection of H by the young Mx but note soundly upon the scannific eco. Esocial study carried out by Mx in fulfillment of this turn to materialism."

III. Mxism &Revisionism

p.44:L's studies of H in 1914-16 were undertaken in midst of an all-out fight against revisionism int.socialist movement."

p.49 L &the Party: "Above all, L contributed to Mrien &the wkgclass the theory &method of bldg.a rev.party to lead the struggle for power."
