

Peer Revs. -

My 20 68

I should make clear to you about procedure (if not clearly progress) and now follow on Phil. Rev.. Altho I have done little this month, it has not been without some accomplishment. In any case, here is what I'm doing

(1) I'm NOT making copies for locals or intellectuals. Some have helped me much and there is a great deal of extra work involved in making copies and some to do the work if I even. I wanted to

(2) The presents

rewriting, began here and, I hope, finished
in the Sept. month is made in but
1 carbon. This carbon is for you only
in sense she must be acquainted
with it in every single aspect
& not just technically since
she'll be in charge of the final
typing - 2 more drafts however.

③ However, after she
has read it -- in each case,
she'll be given a month - she is
to ~~write~~ give me one copy to export
you only. You are to keep. It is
not the one that will be used.

④ I have 7 chapters in type
typed but I hope to finish the whole.
It remains the hardest chapter ever

if I have now changed from Part II
to Part I. In fact, it is harder
to write because I must make
it easier. In any case she'll
have 6 fortnights in June & you'll
get it toward end of that
month.

(5) I will do nothing
from June 1 - Sept 2 but
preparation for cows. When
I return wave in Sept you'll
be with me so you'll see it
ahead of time but probably she
comes ^{1/17}.

(6) Finally around Oct 15th

I hope finally I truly disappian
where absolutely no one will know &
where I will not cook, and eat
for myself, here when I went
away when I finished M.F. --
I had completely cared for
as to housing, food, etc. by father, etc.
It will require money but there is

ABSOLUTELY NO OTHER WAY TO DO
IT. I have tried everything for
buying house to and to
work. I must not be made to
suffer, truly suffer any longer. The
book MUST be finished THIS YEAR --
even though I'm full typing my notes
Dec 31. But you will then take over here by pass
your superior, etc. Yes Ray
