To National Committee Members

Dear Comrades:

Plenum

The Political Committee recommends that a plenum of the National Committee be held in New York City on Friday, Saturday and Sunday, February 11, 12, 13.

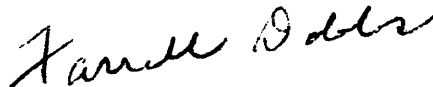

The PC recommends as the plenum agenda:

1. World Movement
2. Political report
3. Organizational report
4. Matters referred by convention
 - a. Economic study
 - b. Party constitution
 - c. Breitman proposals
5. Political Committee

The PC has received a letter from Comrade Kirk requesting that a special January plenum be held to take up his demand for a change in policy in the anti-war movement. Copies of his extensive letter will be forwarded to NC members as soon as it can be mimeographed. Despite Comrade Kirk's request for a January meeting the PC recommends, for a series of compelling practical reasons, that the plenum be held on February 11, 12 and 13, as indicated above.

Please use the enclosed report form to let us have your view on the PC recommendation concerning the plenum dates and also to indicate whether you will be able to attend the meeting.

Comradely yours,

Farrell Dobbs
National Secretary
