TO ALL BRANCHES AND LOCALS:

TAPE LIBRARY

Dear Comrades,

The national tape library which was founded by comrades in the Chicago branch has been transferred to New York. The library will continue to function as a service to party branches and individual comrades.

We intend to keep the tape library's operations going on a self-supporting basis and will continue to charge for duplicate copies of tapes. The prices will be altered slightly to bring them more into line with the need to cover costs. The changes are as follows:

(1) Formerly each tape was \$3.00, reduced to \$2.50 for orders of four or more. This will be changed to a flat \$3.00 regardless of the number of copies.

(2) The foregoing prices will apply only to branches and individual members; tapes ordered by persons outside the movement will cost \$4.00.

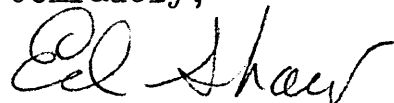

At present the only tapes available for non-party distribution are those with speeches by or about Malcolm X. We do not plan to "push" these tapes or advertise them widely as long as the library remains primarily a party educational and informational service.

A new up-to-date catalogue will be mimeographed in the near future. Meanwhile the previous catalogue may be used for tape orders.

Bob Horn has been placed in charge of the tape library and orders may be sent to him at 873 Broadway, 2nd floor south, New York, N.Y. 10003. Checks or money orders may be made out to the Socialist Workers Party, and must accompany tape orders.

Branches which supply a tape for the library should send in the original copy to be used as a master tape. A duplicate of the original will be returned free of charge.

Comradely,

Ed Shaw
Organization Secretary
