To All Organizers and NCers

Dear Comrades,

Attached is the tour schedule organized by the YSA National Office for Peter Camejo, arrived at after consultation by Charlie Bolduc and myself with the YSA NCers and organizers at their plenum last week.

We want to take advantage of the recent events in Berkeley which brought the YSA and SWP into national prominence in the press, radio and TV and where Peter Camejo emerged as one of the principal leaders of the Berkeley fight.

We hope the party branches will help the youth in organizing this tour so that each area can take maximum advantage of Peter's visit both for local publicity and recruitment and for raising funds to meet the tour quotas.

Comradely,

  
Jack Barnes  
Organization Secretary

To All Organizers and NCers

Dear Comrades,

Enclosed is a proposed tour schedule for a national tour by Peter Camejo.

This tour was discussed with representatives from almost every local at the time of the YSA plenum. The tour is designed to take advantage of the recent events in Berkeley by touring one of the principal leaders of the actions.

Each area will only have Peter for a short time so meetings, forums, etc. should be built to get the maximum attendance, publicity, and recruitment.

Peter can be billed as former National Secretary of the YSA, SWP candidate for Senator in California, and as a principal leader of the student movement in Berkeley.

Most areas should plan to have news conferences for Peter. These can be very fruitful in light of the national news coverage about the Berkeley fight and the prominence given the YSA and SWP as leaders of the actions.

Each area should look at its proposed tour dates and quota. If any changes are necessary please call the YSA National Office right away.

Each area will be sent a printed leaflet which can be used for publicity. It will include headlines from newspapers around the country and a couple articles about Peter and the YSA. It will be especially valuable for use with the news media.

Comradely,

*Charlie Bolduc*
