SUPPORT THE FRENCH REBELLION!

HELP GET OUT THE TRUTH ABOUT WHAT IS HAPPENING IN FRANCE!

Surely all Halstead-Boutelle supporters have been greatly inspired by the developing revolution in France. Fred Halstead is now writing an "Open Letter to the American Left," to appear in the June 21 Militant, which will draw some lessons from France which apply to the American revolution, and will urge support to the French students and workers.

Reporters for the Militant and the Young Socialist are now in France to cover the events first-hand. Helena Hermes from the national campaign staff is there as a photographer. In the next weeks the Militant will be carrying inside stories and pictures on what is happening in the student and working class movements in France. The next issue of the Young Socialist will be a special issue on the French events.

In addition Paul Boutelle, accompanied by campaign staff member Brian Shannon, is now in England speaking on his campaign and on the American black power movement. He will also possibly be speaking in France. Coming issues of the Militant will have coverage of Paul Boutelle's visit to England in the midst of the controversy over Britain's racist immigration policies.

Halstead-Boutelle campaign supporters can concretely aid the struggle of the French workers and students by getting the truth about France to the American people. We urge you to take bundles of the Militant and the special French issue of the Young Socialist to sell at your school or place of work this summer. If you do not already receive regular bundles of the Militant or Young Socialist, please fill out the coupon below, indicating how many you would like us to send you for a trial bundle. The bundle rate for Militants is 6¢ each. They sell for 10¢. The Young Socialist costs 15¢ and sells for 15¢.

**BRING THE GIs HOME FROM VIETNAM  
BLACK CONTROL OF THE BLACK COMMUNITY**

Enclosed is a new piece of campaign literature: the text of the speech given by Fred Halstead to 30,000 demonstrators at the April 27 San Francisco antiwar demonstration. The price is \$2.00 per hundred.

The main purpose of this flyer is for massive distribution. They can, for example, be inserted in copies of the Militant, sent out in mailings, and passed out at meetings. If local campaign committees want to put a dime or nickel price on them to sell, that is fine also. Use the coupon below to order this new leaflet.
