Dear Comrades,

Convention Assessments

The Political Committee of the party has decided that the \$6.00 per member assessment for all West Coast branches be collected and kept within those branches to help defray travel expenses for their delegations to the coming party convention.

This decision was made to permit the West Coast branches to minimize personal financial considerations in the election of their convention delegates.

West Coast branches should keep a record of the convention assessment collected to make available to the convention.

Comradely,

Jack Barnes
Organization Secretary
