To All Campaign Directors and Organizers

Dear Comrades,

Enclosed are what we hope will be the final tour schedules for Fred and Paul.

We have received letters from almost every branch requesting adjustments in the schedules to fit local needs. We have done the best we possibly can to make these adjustments, even scheduling a few uneconomical sequences of stops. The branches should remember that what is best for them may also be best for some other branch. Hopefully these schedules will satisfy everyone as nearly as possible.

Comradely,

Caroline Lund  
Campaign Secretary
