To All YSAers

Dear Comrades,

The February 1968 convention passed a spring fund drive of \$13,000, which will run from March 1 - May 31. Our last fund drive netted \$10,593, but with a monthly magazine, a larger national office staff, a big election campaign, an expansion of all YSA activities, and a significant increase in membership, a larger fund drive was projected.

As you will note on the enclosed scoreboard, the total quotas have already exceeded the \$13,000 mark, since some locals thought at the convention that their proposed quotas could be surpassed.

As in the past, sustainers sent into the national office since the last fund drive will be applied to the local's total quota.

Please fill out the enclosed form and indicate an approval or your local quota and return it to the national office by the 26th of February. If we do not receive a form back from your area by the 26th, we will assume that the quota is accepted. Since the proposed quotas were discussed with most organizers at the convention, locals should begin paying soon so that the fund drive will begin on schedule. At-large YSAers should return the form indicating the amount they can contribute.

Please make all checks payable to the YSA (initials can be used).

Let's make this the best fund drive in the YSA's history.

Comradely,

Charlie Bolduc
