Dear Comrades,

We made it! This is the final scoreboard for the fall sub drive, and as you can see we ended up with just over 500 new subscribers to the Young Socialist in a three month period.

While we did not make the goal by December 1, we had approximately 485 subs on that date. This scoreboard includes the subs that came in up to December 15. We have credited to the various locals all subs mailed in by individuals from cities where we have locals.

Special praise should go to those locals which exceeded their quotas, several of them by a large number of subs.

Comradely,

Mary Alice Waters
