

CALL FOR THE SEVENTH NATIONAL CONVENTION
OF THE YOUNG SOCIALIST ALLIANCE

The National Committee hereby calls the Seventh National Convention of the Young Socialist Alliance to convene in Detroit on Friday, February 9, and to continue through three days (Friday, Saturday, and Sunday, February 9, 10, and 11, 1968).

The following is the proposed agenda for the convention:

Political Report
Antiwar Report
Afro-American Struggle Report
Organizational Report
Election of the National Committee

Pre-Convention Discussion

Literary discussion will be opened with the publication of the first bulletin. The internal bulletin is open for all YSA members on the subjects listed in the agenda or others which they may wish to present for the consideration of the YSA.

Local membership meetings shall be arranged for oral discussion of the various points on the agenda.

Convention Assessments

A convention assessment of \$2.00 shall be levied to help cover the expenses of the convention, the payment of which is obligatory to every member.

Basis of Representation

1. Representation from the locals shall be as follows: one delegate for the first 5 members and one additional delegate for each 5 additional members or major fraction thereof (3 or more constituting a major fraction).
2. Each local having 5 or more members is entitled to a voting delegate.
3. Delegates are to be elected by the locals in accordance with the actual number of members in good standing who have been admitted to the YSA prior to November 17, 1967, and who have paid their convention assessment. "Good standing" according to our constitution is defined as follows: Article III, Section 5, "Any member more than one month in arrears in dues ceases to be a member in good standing. Only members in good standing may vote or hold office in the YSA. Any member more than three months in arrears may be dropped after notification."

4. Locals organized after November 17, 1967, are entitled to send fraternal delegates to the convention.

5. Members admitted to the YSA after November 17, 1967, are entitled to voice in the local discussion, but no vote on resolutions or in the selection of delegates.

6. Members must be present and voting in person at the meeting where the election of delegates takes place. The only exception is for members whose absence is for a substantial reason such as being sick or working and who send in an unambiguous written statement of their positions or candidate choices.

7. Members transferring from one local to another after November 17, 1967 must vote in the local from which they transferred.

Proportional Representation

Where there is a division on national policy within a local unit, election of delegates in the local is to be on the basis of proportional representation. Delegates shall be elected on the basis of the vote on a resolution or a statement made in writing and submitted to the local unit for a vote. Abstentions in no case count as votes.

The following table shows the modified proportional system to be followed if division occurs:

<u>Number of qualified members in unit:</u>	<u>Total number of delegates the unit is entitled to:</u>	<u>Minimum number of those voting for a minority to get:</u>		
		<u>1 del.</u>	<u>2 del.</u>	<u>3 del.</u>
3-7	1	-*	-	-
8-12	2	1/3**	-	-
13-17	3	1/4	-*	-
18-22	4	1/5	2/5	-
23-27	5	1/6	1/3	-*
28-32	6	1/7	2/7	3/7
in general:				
5n+2	n	1/n+1	2/n+1	3/n+1

(* in the special case of a unit entitled to an odd number of delegates and where the division in unit voting is exactly equal, 2 delegates with 1/2 vote each will be elected.)

(** for example, in a unit of 8 qualified members, 8 times $1/3$ equals $2-2/3$ members; therefore a minimum of 3 (not 2) would get a delegate. If the unit had 11 qualified members then 11 times $1/3$ equals $3-2/3$ members, so 4 voting minority members would be the minimum to get a delegate. The same consideration holds true for figuring all other fractions in the above table.)

In the event a unit undergoes a more than two way division, that unit will elect delegates on a directly proportional basis (i.e., in a unit entitled to n delegates, at least $1/n$ fraction of qualified members must have voted for a position for that position to get a delegate.

After a division has been established, those voting each way will select in caucus their own delegations and report them to the unit as a whole for acknowledgement. Where no division has taken place the election of delegates will proceed normally by the unit as a whole.
