Dear Comrades,

The Spring Fund Drive is off to a good start with one local, New York, already at the 80% mark.

As you can see, we are a little behind schedule so every local should make a real effort to start, or keep up, their regular payments.

Seattle has indicated that it would be hard for them to make a quota of \$250, so their quota will be \$200. This means \$50.00 will be added to the General. A couple of locals have indicated they may be able to go over their quota, so if everyone pitches in, we may be able to top \$8550.

Comradely,

Charlie Bolduc
