### LEAGUE UNPOPULAR

Criticism of the so-called League of Nations plan for its superficiality has been increased by the fact that it has been charged by prominent representatives from the United States that it is a middle-class progressive in its aims.

With local protestations of agreement with the League of Nations which developed in 1919 into outright antagonism to the League of Nations were taken over by the President and a cabinet without consulting the public. # LABOR! PREPARE FOR ACTION!

The case of Tom Mooney has aroused the labor movement. The rank and file are demanding in an uncertain voice that we PREPARE FOR ACTION. Union men are NOT GOING TO ALLOW the American plutocracy to take Tom Mooney away for life.

The courts have failed to do justice. From the lowest court to the Supreme Court of the United States, they have taken his hands of Tom Mooney, refusing to listen to the evidence that caused PRESIDENT WILSON to intervene in Mooney's behalf.

The action of Governor Stephens in changing the sentence from hanging to life imprisonment, so far from satisfying labor, has been an INSULT, a SLAP IN THE FACE OF THE AMERICAN FEDERATION OF LABOR. Tom Mooney has been proven innocent. The evidence has been acknowledged by the judge who tried him, the Attorney General of California, the President's investigation committee, headed by Felix Frankfurter, and recognized by Wilson. The Democracy report exposed the whole rotten frame-up.

In the face of this evidence the man who tries to stop Labor in its plans to free Mooney is a TRAITOR.

Bulletins have been sent out for a vote on a GENERAL STRIKE of five days. If Labor votes NO, Mooney will rot in prison. If Labor votes YES, Mooney will be freed.

It is not alone the fate of Mooney that is involved. The whole future of the American Federation depends upon our courage and our wisdom in this. MOONEY MUST BE FREED. DEMAND A VOTE ON THE GENERAL STRIKE. VOTE "YES" TO FREE MOONEY. AND THEN PREPARE FOR ACTION.

J. G. WRIGHT,

President of C. C. Central Labor Union, President of L. C. Barbers, Local 192.

# RUSSIAN HELD WITHOUT LEGAL PROCESS.

## Threaten to Deport For Giving Paper to Man.

Joe Wynchot, a young Russian socialist of Kansas City, Kansas, has been held for seven days by order of Deputy Marshal Wynchot, without any action being filed against him. Friends of Wynchot, after being denied even an opportunity to see him in jail, filed an application for a writ of habeas corpus before District Judge Hitchings, who postponed the hearing until Wednesday; on that date he ruled that Wynchot was being held illegally and must be released unless a process of some sort were issued under a Federal law.

After the court had ruled in favor of Wynchot, Assistant District Attorney Harvey proposed a deportation warrant from the office of W. E. Long, Immigration Commissioner. Wynchot is now held under this warrant, and has been held at \$1000.

The accused man was arrested at the instigation of a foreman at Harris & Co. packing plant, who was said to have handed a copy of the Workers' World to a man in the plant. It is far as can be learned this is the only charge against him.

Harry Sullivan, attorney for the Socialist Party of Wyandotte County, Kansas, sent the following telegram:

Kansas City, Kansas, May 21st, 1919. Hon. Newton D. Baker, Secretary of War, Washington, D. C.

The authorities, namely Deputy U. S. Marshall, W. W. Lacy of Kansas City, Mo., and Joe Wynchot, a Russian, without information being furnished or other writ said to W. Lacy was held in the plant, and is claiming that he holds him for a charge of espionage.

He only has a copy of a newspaper, and the authorities find against this man in that he has a copy of a newspaper. He only has a copy of a newspaper, and the authorities find against this man in that he has a copy of a newspaper.

Years very early. HARRY SULLIVAN, Attorney and Agent for the Socialist Party of Wyandotte County, Kansas.
